EXPERIENCE

VISUAL DESIGNER

ROTOR BIKE COMPONENTS | MARCH 2019-JUNE 2023

Internship in one of the most important brands in cyclism in Spain. I was in charge of doing visual work such as renders, graphic design and aesthetic designs for cranks and cranksets.

WORKSHOP ASSISTANT & DESIGNER

COSMOCARPINTERÍA | MAY 2023-JULY 2023

I was in charge of designing a new organic hangboard model for the catalogue of the store. At the same time I was working at the wood workshop as an assistant.

SPORTS ADVISOR

DECATHLON | OCTOBER 2024-FEBRUARY 2025

Sports advisor in one of the most important sport stores in the world. I worked in the cycling section giving advice to customers about cycling gear although I have worked in every section of the store.
